# Message for All

Private schools and children welfare Association congratulates you for having completed Eleven long years of association and connection. The association has successfully played a vital role in its undertaking to conserve the private schools in all 36 States and Union Territories besides already spreading its virtue in 642 districts and 624000 villages of India by the sheer hard work of all States' Presidents and Association members.

All the state and Central Government policies in the past years regarding RTE were possible only with the help of our Association. This has been so only because of the dedication and persistent efforts of the association members. We are proud that the Private Schools And Children Welfare Association in India has now been given national recognition.

We hope to maintain the trust that the people of India have shown in our Association as it has been gaining profound popularity through its hard work both in government and non-government agencies. The association expresses its heartfelt gratitude to the Honorable Chief Minister, Education Minister, Education secretary, all the committee members, and distinguished guests of the state and government of India for encouraging us with their gracious presence at the 56th program organized by the Association in last 11 years. It is indeed a proud moment to share that it has a world record of awarding more than 80000 students of class 10th and 12th who have passed with distinction. Not much, but for sure, it is so lovely to share that the association has also awarded more than 75,000 directors, Principals and teachers, and of course the families for their dedicated contribution in the field of Education.

Let's move happily along the way, pushing the obstacles that come our way. By the grace of the almighty who is Omnipotent and Omnipresent with the start of our journey in 2011, we are not only growing in numbers but also making our presence felt. With the support of our state Presidents and proud Association members we have taken a national recognition achieved a significant milestone together. I share the delight of sharing strength from my heart. I have dreamt of the day in my life when the entire country's real education would be a priority to make our future bright through human resources.

This dream came true on 5th and 6th August 2017 when Private Schools And Children Welfare Association rocked the floor with the 1st National Council meet in hotel Radisson Blu at Dwarka, New Delhi, where the chief guest was Sri. Upendra Khushwaha, HRD Minister, Govt. of India.
